

List of Auditors Used by CDSA Members

In light of the new audit and administrative cap requirements that became law when the Governor signed SB 74, some of you have indicated difficulty in finding auditors that are willing or able to take on new clients.

To help, we've put together a quick list of Northern California auditors used by some of CDSA's member organizations. This list is purely informational and designed as a starting point for people having difficulty. CDSA does not endorse or recommend any auditor listed here over others.
