No-Cost Hiring with Great Results

Businesses can hire dependable employees at no cost through www.CAHiresTheBest.com, which connects employers to non-profit agencies that design solutions to a range of employment needs involving persons with developmental disabilities. Businesses can learn more about California Hires the Best by calling 888-333-3858, ext. 110.

The agency assists with initial training, on-going guidance, and problem solving. The employer only pays normal wages and benefits. The state funds employee support. In some cases, a company can receive job tax credits, too.

Businesses can employ individuals with disabilities through direct hire, contracting a work crew, or outsourcing work to a disability services agency.
